ESSENCE OF COFFEE.
With 12 1/2 Cents to save four Pounds of Coffee!
THIS ESSENCE has been proved by many thousands of the rich and noble, and is now being sold in the United States, to be by far the best preparation of Coffee ever offered to the public. It is made from the finest and most wholesome, more delicate, and flavored, perfectly clear, and, in every instance, superior to the best Java Coffee.
It is sold at full satisfaction and proof that the above article is perfectly healthy, and to show something of the deserved reputation it has gained and justly entitled to, we submit the following testimonials: "I have been particularly benefited by health, from Dr. Booth and Dr. Gilson, practical Chemists and Analysts of the city of Philadelphia, who have analyzed this Essence, and have pronounced it to be a most wholesome and healthy article."
College Avenue, Tenth st., below Market st., Philadelphia, Sept. 4, 1851.
I have examined the Essence of Coffee manufactured by H. N. Gilbert & Co., of Philadelphia, and find it to be not in the least degree injurious to health; it may be used freely and with perfect safety.
JAMES B. HILLMAN, M.D., Chemist, applied to Art, Franklin Institute.
No. 73 Chambers st., New York, Aug. 22, 1851.
I have examined an article prepared by Messrs. Hummel, Bohler & Co., of Philadelphia, called Essence of Coffee, which is intended to be used with coffee for the purpose of improving it and to do it not only from anything injurious to health, but on the contrary, the ingredients of which it is composed are perfectly wholesome.
JAMES B. HILLMAN, M.D., Chemist.
York, Penna., Aug. 4, 1851.
Messrs. Hummel, Bohler & Co., Gentlemen:—I take pleasure in recommending your "Essence of Coffee" as a very superior article; it is extensively used in our country; we have only had it one year, and have sold over 10,000 cases of the same. It is a most wholesome and healthy article, and will remain in constant use, and the more it becomes known the greater will be the demand for it.
Yours, respectfully,
C. A. MORRIS & CO.

POSTSCRIPT!
[Despatched to the American Telegraph.]
BARKER, October 14.
Perkins Saw-Mills, at Hallowell, Maine, are burned. The loss is \$20,000—uninsured.
— BUFFALO, October 14.
The brig Chicago, Linley, lost on the lake, was insured for six thousand dollars.
— NEW YORK, October 14—1 p. m.
Flour is more active; wheat is dull; corn is heavy at 56 1/2 cents for mixed.
— PHILADELPHIA, Oct. 14—2 p. m.
The election is progressing with great animation, and both parties are sanguine.
— BALTIMORE, October 14—2 p. m.
No sales of flour; yellow corn is selling at 58 1/2 cents.
— Late from Rio Janeiro.
PHILADELPHIA, October 13—10 a. m.—The barque Emily, from Rio Janeiro, with dates to the 31st of August, arrived last night. Coffee was scarce, and little or none expected from the interior. American provisions were abundant, and prices a fraction lower. Native produce was plenty. The United States steam frigate Susquehanna was preparing to sail for the East Indies in a day or two. The brig Cynthia and Silas Mearns, of and for Baltimore, were in port.
— Pennsylvania Election.
PHILADELPHIA, October 13.—The political excitement with regard to the election to-morrow is on the increase, and a very large vote will be polled. The result is considered very doubtful.
— Brig Chicago and Propeller Monticello.
BUFFALO, October 13.—The brig Chicago, on her upward trip, capsized in the lake this morning, and three of the crew perished.
The propeller Monticello, which was supposed to be lost, is ashore on Lake Superior. All on board are safe.
— Census of Dunkirk.—Jenny Lind.
BUFFALO, October 13.—The census of Dunkirk, the terminus of the Erie railroad, shows a population of 3,500 persons. Six months ago there were but 500 persons there.
The Jenny Lind mania is as great as ever, and there is an enormous demand for tickets for the Concerts on Wednesday evening.
— NEW YORK, October 13.—The steamer Ohio sailed this afternoon for Chagres with sixty passengers.
— From New Mexico.
St. Louis, Oct. 13.—Mr. F. X. Aubrey, of New Mexico, has arrived here from Independence; also Messrs. Mallory, Haven, and Rancy, who are connected with the Boundary Commission. Major Whiting has been elected delegate to Congress by 500 majority. The corn crop in the river Abasco is excellent—in other places it has failed. Bands of Americans, disguised as Indians, are committing frequent depredations.
— Late from Havana.
CHARLESTON, Oct. 12.—By the steamer Isabel, from Havana, we have dated to the 7th instant. The subscription to aid the families of the Spanish soldiers killed during the Lopez invasion, and to comfort and take care of the wounded, being made at Havana, amounted on the 7th inst. to \$150,114. All was quiet at Havana, and business was progressing as steadily as usual. The American residents were daily expecting the recall of Mr. Owen, the American Consul. His letter of defence is considered altogether unsatisfactory, and they seemed to be confident that it would be equally unsatisfactory to the President.
— Georgia Election.
CHARLESTON, October 12.—The returns from Georgia show an immense majority for Mr. Cobb for Governor, and unionists are very scarce. The congressional returns show the election of but six and seven unionists, the disunionists having secured two.
— Violent Storm.
HALIFAX, N. S., October 11.—The whole shore is strewn with the wrecks of vessels and the dead bodies of their crews.
The body of a man, with a boy lashed to his back, came ashore at Restico—not recognised. The number of bodies already gathered along the coast is over one hundred, so that the loss of life must indeed be fearful. There were a great many vessels out, nearly 400 of which reached harbor in safety.
— Acquittal on the ground of Insanity.
NEWARK, N. J., Oct. 13.—The Irish girl, Margaret Garrity, who some months since killed Edward Drum, whilst walking along the street with his wife, to whom he had just been married, was acquitted by the jury to-day on the ground of insanity. It will be remembered that after running her, deserted her and married another, on hearing which, in a fit of frenzy she rushed out of the house, and meeting him stabbed him to the heart.
A man too busy to take care of his health is like a mechanic too busy to take care of his tools.
— PRINCE WILLIAM LAND STILL IN MARKET.
THE SUBSCRIBER has not yet disposed of his LANDS near Brentsville, Prince William county, Virginia, or his HOUSES and LOTS at Backland. They are still for sale on accommodating terms. Mr. Robert Hodgkin, who is adjoining these lands, will show them and the boundaries, to any one wishing to purchase. My terms as heretofore advertised—one-fourth in cash, the balance in one, two and three years credit, with interest, secured on the land. The property at Backland will be disposed of on application to Eppa Hunter, esq., at Brentsville, on the same terms. The title, which is indisputable, will be made by Eppa Hunter, esq. Letter addressed to me at Fallsport, Allegheny county, M. D., will be promptly attended to.
HENRY A. BARNES.
P. S.—H. A. B. will be at Brentsville on the 6th of October, and remain some weeks.
— MEDICAL DEPARTMENT OF GEORGETOWN COLLEGE.

THE LECTURES will commence on the first Monday in November, and continue until the latter part of March.

INSTRUCTION IN MUSIC.
THE UNDERSIGNED wishes to acquaint his friends and the public that he will continue the duties of his profession in giving instruction on the Piano and in Vocal Music; also lessons given in Organ and Seraphim, with the Science of Harmony, at his residence, or at the private dwellings of his pupils.
The pupils commencing or already advanced in their musical studies can, at their option, receive such lessons as may best promise their improvement. It is also of serious interest to those who wish to be well instructed in music, that they should begin and follow the first courses of lessons in a regular order as possible, as all future success will depend upon this.
His recommendations for success in teaching for the last ten years in Washington and vicinity are of the highest character, and he feels confident that he is able to impart instruction in an easy, brief, and profitable manner. He solicits an early call from those interested, so that they may be enabled to begin their studies at an early date. Necessary information will be given to persons by calling at his residence, (14th street, between F and G streets), or by leaving their names at the music stores of Mr. Carter & Brown, 12th and 13th streets, sign of the George Hillus, where orders left will be punctually attended to.

AN IN-WEATHER PREPARE FOR RAIN.
DANIEL PIERCE continues to cover and repair UMBRELLAS and PARASOLS as usual, at his old stand, Pennsylvania Avenue, south side, between 12th and 13th streets, sign of the black and white Umbrella. A general assortment of Umbrellas for sale. Silk, Gingham, and other materials suitable for covering. In our stock there is good workmanship. William H. Faulkner has 50 Washington seamstresses constantly employed in making shirts, the demand for which has greatly increased since they have been so much worn and used by members of Congress and other citizens who have purchased them. He would respectfully submit that an establishment of this kind, giving regular employment to a large number of respectable and industrious females, is deserving of liberal encouragement from the citizens of Washington especially, who are bound by feelings of reciprocity and interest to encourage their own seamstresses, manufacturers, and mechanics.
